Plot:

The gang has finally made their arrival to Mahogany Town after a long adventure as they head to stop at the pokemon center to heal their pokemons while the gang takes a break. Suddenly, Plumeria, Tupp, Zipp, Rapp and Yuho follow the gang without being noticed as they attempt to ruin their day while they enjoy eating ice cream. Ash and his friends are eating their meals at the cafeteria while they wait for their pokemons to be healed in process. Ash remembers his time with Pryce and the Lake of Rage, May questioned about that place, which he replies that he went there along with Misty and Brock as they encountered the red Gyarados at the lake, much to Ty's surprise, asking if it was friendly, replying that it was attacking instead being friendly, not wanting to mention how it happened as mentioned that the current champion, Lance has successfully caught the sea-serpent pokemon who's the owner of his. The gang was amazed at his past story while Jonah expressed interest in Lance and his red Gyarados, Ty was thinking as well, Max was thinking if he wanted to go to the lake, but May suggested not to that Ash mentioned if it's dangerous, Ash tells them that it's okay for not going there. Nurse Joy informs the gang that their pokemons are completely healed and well rested.

As Ty is prepared to challenge Pryce in the process, Victor bumps into him, dropping his ice cream flavor, accusing him for ruining his treat while Ty accuses him for bumping into him, Victor ignores his protest, demanding him to buy another ice cream for ruining which Ty declines it until Demi and Reese joins in with their flavors, Demi and Raye glared each other while Reese greeted the gang. Ty and Victor continue to rival each other as he reveals that he won the his seventh badge as he advised that he's ready for his last badge before he competes the league, despite hearing him, Ty is better and ready for his gym battle, Victor mocks him for going slow against him, much to Ty's surprisingly angry, continued to rival each other in front of their companions.

During their uncomfortable time, a young man appears questioned about their situation, Lillie replies that there's nothing to be concerned about. He introduces himself as Patton to the gang as he looks on Ash for winning the tournament back then, Victor interrupts that he should retire by now, Reese told him to respect him. Manaphy flies to Reese, who she treats him very nicely, offering an ice cream to share. Demi protests that Manaphy cannot have ice cream, May ignores her as she enjoys watching him eat, Sakura and Dawn went to get ice cream from everyone, Victor blocked Ty's way, who still needs to buy another one for him, Ty completely rejected his offer. As the gang, including Victor's are eating their ice cream, Patton questions Ty if he's ready to defeat Pryce for the next Gym badge, which he was while asking Ash if he's continuing his adventure, Ash answered that he's traveling again to see other pokemons in other regions to visit once Ty completes his goal, Patton impressed at his story. Tupp, and Rapp are still searching for the gang and while they spotted them, they reported back to Plumeria.

After their ice cream break, the gang arrived at the gym entrance, with Ty and Teddiursa ready to challenge Pryce for his next badge, but Victor confidently claims that Ty will have a difficult time against the Gym Leader, Ty told him to zip it as he's ready despite Victor's mockery. Team Skull suddenly appears in front of them before entering as Victreebel grabs Manaphy with its vine, escaping after mocking them. Ash, Ty and May went to help to rescue Manaphy, with Victor helping them for now since he still owes Ty a flavor he dropped, but chooses to help by Reese's advice. As Plumeria's group prepares to leave with the captured Manaphy who's still scared from the grunts, Ash's team arrives to stop them, sending their pokemons out, Ty has Teddiursa to do Fury Swipes, but missed his attack against Victreebel before being knocked out with Vine Whip. Pikachu used Thunderbolt and Glaceon used Ice Beam directly at Rapp's Zubat. It missed the attack until both Pikachu and Glaceon were countered by Zubat's Air Cutter. Manaphy was crying for May while Victor attempted to save him by telling Croconaw and Snubbull with their Water Gun and Fire Fang, but it wasn't easy until Salazzle avoided the attack and used Dragon Pulse at them.

Unable to rescue Manaphy, Plumeria and her grunt's prepared to leave, but May angrily started to chase them but was restrained by Ash despite her plea, suddenly, Tupp and Zipp ordered their Salandit, and Yungoos to corner them as Zipp tells Garbodor to use Sludge Bomb. Before they poison Ash's team, Dewgong used Ice Beam directly at Garbodor, completely frozen, Dewgong saved the gang on time with Pryce assisting them followed by Ash's friends, Demi, Reese and Patton as well. Before Plumeria and her grunts attempt to escape, but before they do, Sakura tells Espeon to stop them with Psybeam, knocking the grunts out and the small cage releases Manaphy,

reuniting with Manaphy. With their plan failed once again, Ty sends out Gyarados, and sends them away to the water with Hydro Pump, earning their victory.

Ty and his friends did teamwork for saving Manaphy and stopping Plumeria and her grunt's, they also thanked Pryce for helping, with good respect as he praised Ash's victory at the tournament back then, Ash appreciated him. Ty is hyped up to see Pryce in person, meeting each other. However, Victor still refused to thank them as he was still upset over Ty for his ice cream he ruined, but Dawn and Lillie suggested getting their flavors for them while Pryce offers Ty for a Gym battle whenever he's ready, which Ty accepted. After they got their flavors for everyone, Victor and his gang are prepared to leave since he won his seventh badge as he's heading towards their next destination, suggesting Ty to be ready, he responded with his determination.

At the forest, Plumeria told Guzma about a failed plan since they lost against Ash's team, calling them unstoppable. Guzma was disappointed but they'll be more ready to get revenge on the heroes next time.
